

# WHEN TIME MATTERS

EAGLE TELEMEDICINE IS THERE

## CHALLENGE

40

Every 40 seconds, someone in the U.S. has a stroke

Strokes are the 4th leading cause of death in the US

Strokes are the #1 cause of disability in the US

The American Stroke Association recommends using teleneurology when access to stroke care is limited

## SOLUTION

Eagle's Telestroke solution provides:

quick access to potentially life-saving care

24/7 treatment available in patients' home communities

## BENEFITS

With more than 15 years of experience, Eagle offers:

proven response times of less than 5 minutes

reduce unnecessary transfer of patients

achieve ROI with incremental DRG reimbursement
